

December 11-14, 2015

Kudos to all the participants of the 27th YMCA National High School Students Assembly and 20th YMCA High School Teachers Seminar headed by Mr. Michael Angelo B. del Rosario and Mrs. Merlita Almazan held last December 11 – 14, 2015 at Teachers Camp, Baguio City

The experiences of the participants were astonishing as they were grouped according to commission. Some of the activities done were getting to know each other, election per commission and presentation of Lakan and Lakambini in the evening. Seminars were also held on the second day about leadership, with the Theme, “Standing Firm on a ROCK”(Responsiveness, Oneness, Christ Centeredness, Kindness), then followed by the introduction about Parliamentary Procedures then cultural presentation in the evening by each school participant. Grandfinals for the Lakan and Lakambini were also done that night. The third day was all about the contest proper and actual parliamentary procedure and party in the evening after the awarding. The tour around Baguio was done on the last day of the seminar wherein the participants had the chance to wander around and explore the beauty of the city, home sweet home afterwards.
