

Tulong Pangkabuhayan:

Training in Baking & Food Processing

The University of Perpetual Help System Laguna - Binan Campus under the Community Outreach Department had conducted a community outreach activity entitled, “*Tulong Pangkabuhayan: Training in Baking and Food Processing*” last September 05, 2015, from 8:00 am to 12:00 noon, held at the CIHM Food Laboratory, 3rd Floor of UPHSL College building, Binan City, Laguna.

The program was spearheaded by the College of International and Hospitality Management headed by its dean, Ms. Gertrude Gupiteo and COD Coordinator, Ms. Olivia Factoriza with the participation of the CIHM students. Mrs. Susan Palaroan, one of the faculty of the college also participated in the activity as the Resource Speaker of the training. Beneficiaries came from the adopted barangay of the University, the residents from San Antonio, Binan City.

The activity aimed to utilize the knowledge and physical resources of the institution to serve the people of the community the best way possible, to impart knowledge to the beneficiaries about baking and food preservation, to develop or enhance the skills of the beneficiaries about the livelihood program implemented, to contribute to local government’s effort in eradicating the unemployment in the community by having a source of income through a livelihood program, to be more socially aware of the problems in the community in terms of the livelihood of its constituents, and to instill into the heart and mind of every Perpetualite the value of providing true service to others.
