INTERNATIONAL & EXTERNAL AFFAIRS OFFICE

8th Laguna Labor Management Council, Inc. (LLMCI) Convention
“Building Consensus to Address People Challenges for Sustainable Development”
Cultural Center of Laguna, Provincial Capitol, Sta. Cruz, Laguna
August 9, 2019

The International and External Affairs Director, Dr. Josefa G. Carrillo together with the HR Assistant, Ms. Gloria R. Uypico represented the University of Perpetual Help System Laguna to the 8th Laguna Labor Management Council Inc. (LLMCI) Convention which was successfully held at the Cultural Center of Laguna in Sta. Cruz last August 9, 2019.

The convention theme was “Building Consensus to Address People Challenges for Sustainable Development” encompassing the capacity building initiative for HR professionals and management, industrial revolution, updates on rights to security of tenure, the presentation of best company practice, significant benefits of EML Law on Maternal and Child Health, and the importance of breastfeeding and establishment of lactation stations in the workplace.

Present during the occasion were Mr. Guido R. Recio, Department of Labor and Employment (DOLE) Provincial Director; Mr. Henry John S. Jalbuena, DOLE Regional Director; and Atty. Consuelo I. Bacay, Bureau of Labor Relations Officer-in-charge. It was likewise attended by more than 200 participants composed of human resource personnel, academe, and government representatives to boost possible partnerships of different external partners to the University.

Truly, the said-event gave further knowledge to the participants as well as to our University to delegates to improve the level of excellence in terms of people's welfare. Attending this kind of gathering really help in strengthening the external relationships with the University's institutional partners. Thanks LLMCI for the invitation.
