One of the partners of the University of Perpetual Help System Laguna, the Association of PESO Locators of Laguna (ASPELO) celebrated its 3rd Anniversary and General Assembly with the theme "ASPELO @ Embracing Challenge as One" held at the People's Center, City Hall Compound, Brgy. It was attended by the External Affairs Director, Dr. Josefa G. Carrillo as UPHSL representative and ASPELO Vice President-External together with the Senior High School Department representative, Mr. Michael Angelo Delos Reyes.

The forum tackled the Biñan City Resolution 212 - (2017) "A resolution urging the industries/companies, National Government Agencies (NGAs), Regional Line Agencies (RLAs), Non-Government Organizations (NGO's) and Civic Society Organizations (CSG's) within the City of Biñan to enter into a partnership with Public and Private High Schools in providing Work Immersion opportunities for Senior High School (SHS) learners as stated in R.A. 10533 otherwise known as the Enhanced Basic Education Act of 2013 and DepEd Order No. 30 Series of 2017. This resolution was already approved by the Biñan City Council and an endeavor initiated by the ASPELO Officers since last year, now already has its face.
