EXTERNAL AFFAIRS OFFICE

Orientation and Endorsement of BLIS students at the Department of Foreign Affairs (DFA)

DFA, Pasay City
November 13, 2018

The University of Perpetual Help System Laguna represented by its Director for External Affairs, Dr. Josefa G. Carrillo; with BLIS OJT Coordinator, Dr. Elizabeth Malabanan; and the Dean of the College of Education, Dr. Remedios de la Rosa accompanied the practicumers of the University under the BLIS Program of the College of Education and endorsed them to the representatives of Department of Foreign Affairs (DFA) namely Ms. Maria Luz S. Verdejo, Mr. Edward Yulo, and Mr. Martin Julius for their orientation in Archive Section of DFA in Pasay City.

According to Mr. Yulo, “most of the students were just immersed to the library setting, it is about time that they should be exposed to archives and proper record management and this is the right place for that.” Mr. Julius added that some other schools had already started its practicum and these students were lucky enough to be accepted in DFA. If these students from your University will perform well, next batches will be given also same priority with this kind of setting for internship, he added. Truly, these students were lucky enough to have their OJT/internship in this government agency, the Department of Foreign Affairs.
