## **Abstract**

The mission of MTRCB as a Regulatory Board aims to afford the public exhibitions of movies and television with the purpose of encouraging the production of globally competitive movies or exhibitions, which should be both entertaining and artistic, in order to raise the standard of art for the General public. The researchers believe that both parents and children must be knowledgeable and aware of the MTRCB Advisories. Children must know and be aware of the TV program and Movies that are suited to them. The main objective of this study is to determine the level of knowledge and awareness on MTRCB Advisories Among Fourth Graders of the University of Perpetual Help System Laguna. The study used the descriptive-correlational method since it can describe the situation objectively. The results revealed a high level of knowledge and awareness of the respondents on MTRCB Advisories. When grouped according to gender, religion, and TV viewing companion, the respondents' level of knowledge and awareness on MTRCB Advisories showed no significant difference. Likewise, it has been found out that their knowledge and awareness of MTRCB Advisories were not significantly related.
