The Commission on Higher Education (CHED) Regional Office IV-A, together with the Association of International Relations Officers, held an orientation workshop on Internationalization (IZN) and Transnational Higher Education (TNHE) on February 24, 2025, at Twin Lakes Hotel.

Attended by over a hundred International Relations Officers from CALABARZON, the event featured Rogelio T. Galera Jr., Director of CHED, along with experts who discussed strategies on the IZN roadmap, global rankings, funding opportunities, and foreign student admissions.

A highlight of the workshop was the presentation of provincial roadmaps from Cavite, Laguna, Batangas, Rizal, and Quezon, outlining priorities and key success indicators for internationalization in the region.

The workshop marked an important step in strengthening the global competitiveness of higher education institutions in CALABARZON, with the University of Perpetual Help System Laguna (UPHSL) reaffirming its mission to prepare Filipino students as leaders on the international stage.
