Pamaskong Handog: Community Outreach at Pedro H. Escueta School

San Antonio, Binan, Laguna
December 02, 2024

The University of Perpetual Help System Laguna (UPHSL) recently held its Pamaskong Handog community outreach at Pedro H. Escueta School, bringing holiday cheer through acts of kindness and compassion.

The event was organized in collaboration with Nightingale's Promise, the UPHJGDTMU Alumni Association Inc., and the International and External Affairs Office led by Josefa G. Carrillo, with support from volunteers and alumni.

Pamaskong Handog reflected the University's gratitude for a blessed year while fostering unity, faith, and generosity. More than a charitable effort, the outreach served as a celebration of hope and love, strengthening community ties under the values of God, country, and service.
